Llwybr cylchol rhyfeddol drwy geunentydd coediog sy'n cynnwys y pedair sgydau fwyaf poblogaidd, dros risiau serth a thir garw dan draed.

Dechreuwch ar eich taith yn lleoliad diarffordd a choediog maes parcio Gwaun Hepste, dilynwch yr arwyddbyst sydd wedi'u rhifo â'r rhifau sy'n cyfateb ar y map hwn. Bydd y llwybr coch yn eich arwain o gwmpas y daith, ond rhaid dilyn y llwybrau gwyrdd byrrach, 'yno-ac-yn-ôl' oddi ar y prif lwybr i weld y sgydau unigol.

A legendary circular trail through woodland gorges taking in the four most popular waterfalls with steep steps and rough terrain underfoot.

Starting your walk in the secluded woodland setting of Gwaun Hepste car park, follow the numbered waymark posts and the corresponding numbers on this map. The red route will lead you around the trail but the individual waterfalls are reached by shorter green 'there-and-back' routes leading off it.
